

Φ -z plane

r component of int. distortion in pz plane at $\tau=50.115$

r-z plane

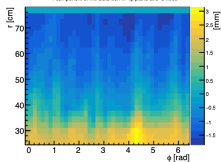

r component of int. distortion in zr plane at $p=3.063$

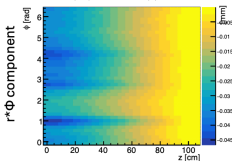

r- Φ plane

10/14/2025

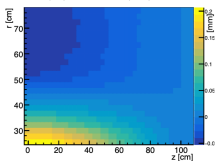

r component of int. distortion in rp plane at $z=54.069$

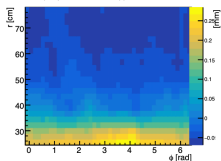

p component of int. distortion in pz plane at $\tau=50.115$

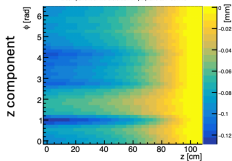

p component of int. distortion in zr plane at $p=3.063$

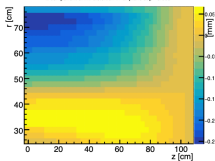

p component of int. distortion in rp plane at $z=54.069$

z component of int. distortion in pz plane at $\tau=50.115$

z component of int. distortion in zr plane at $p=3.063$

z component of int. distortion in rp plane at $z=54.069$
