

r component of int. distortion in pz plane at $n=50.115$ c component of int. distortion in xy plane at $pm=3.063$ r component of int. distortion in π g plane at $z=54.060$ p component of int. distortion in yz plane at $n=0.115$ 

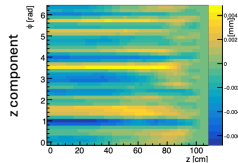

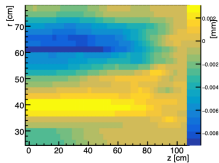

p component of int. distortion in zr plane at $p=3.063$

ρ component of int. distortion in xy plane at $z=54.065$

z component of int. distortion in pz plane at r=50.115

z component of int. distortion in: xy plane at $p=3.663$ 

z component of int. distortion in rp plane at z=64.069
